Declaration letter

FCC ID: B94T77H468

We acknowledge that requested two exhibits **(1). Cover Letter-WWAN AMO Process rev (2). Cover Letter-WWAN BIOS Lock Mechanism** already on the FCC EAS web for public access since 01/14/2014. However, we realize later that release of these two documents has significant impact on our product marketing strategy and should be relocated to "Operation description" exhibit folder for long term confidential protection. Thanks.

Sincerely yours,
