FCC Class II Permissive change for FCC ID: BEJTM16FNNABM0

We, LG Electronics Inc., as a manufacturer of following product, hereby submit Class 2 Permissive Change application for the FCC module approval.

The module (BEJTM16FNNABM0) originally granted for CBE and PCB on November 1, 2024 as mobile device requires 20 cm of separation distance.

With this application, we would like to add a host equipment that could be used within 4.5 cm separation distance.

SAR compliance evaluation has been conducted for features supported by the module in the host equipment.

Simultaneous transmission with WLAN supported by the host equipment is also evaluated.
