Harris seeks application approval for a Class 2 Permissive Change and a IC re-assessment certificate on the M7200 800 MHz mobile radio with the referenced ID numbers.

Three mobile antennas are being added to the product offering and the transmission line for such is changed to a more efficient version with a minimum length specified.

Exhibits include an MPE report, antenna data sheets, revised Operator manual and installation manual, Industry Canada annexes, and authorization letters, etc.

Thank for your attention to this application.

Sincerely,

A handwritten signature in black ink that reads "Daryl S. Popowitch". The signature is fluid and cursive, with "Daryl" and "Popowitch" being the most prominent parts.
