Subject: FCC ID: BV8M7200
Class II Permissive Change.

M/A-COM seeks application approval for a Class II Permissive Change on the M7200 700/800 MHz mobile radio Grant, to include a Control Station product variant.

Exhibits include photographs, wiring diagram, parts list, test reports, and Commission correspondence justification for the addition to the Grant. An Operator's manual and an installation manual are included in the exhibit submission as well.

No mode additions have been made, nor is there any change to the hardware of the Granted mobile radio.

Confidentiality letter and Rhein Tech Laboratories, Inc. agent authorization letter to act on M/A-COM's behalf for this original submission, have been provide.

Thank you for your kind consideration and timely review for this new product entry to the M/A-COM Public Service radio product family.

Sincerely,

A handwritten signature in black ink that reads "Daryl G. Popowitch". The signature is written in a cursive, flowing style.
