McLean, VA 22101

Subject: FCC ID: BV8M7200  
Class II Permissive Change

M/A-COM seeks processing of a Class II Permissive Change for M7200 700/800 MHz mobile radio equipment to include motorcycle applications.

Exhibits include EMC test report, MPE evaluation report, and antenna data sheet. An Operator's and motorcycle installation manual is included in the exhibit submission. The radio is operational in the 800 MHz band only for this application, through factory configuration control tools. No 700 MHz operation addition is requested.

Rhein Tech Laboratories, Inc. agent authorization letter to act on M/A-COM's behalf for this change, have been provided also.

Thank you for your kind consideration and timely review of this product extension.

Sincerely,

A handwritten signature in black ink that reads "Daryl S. Popowitch".

Daryl Popowitch  
Regulatory Manager,
