Subject: Change of ID request

TRX Systems is requesting a change of ID for existing device from Nanotron Technologies, Inc. with current FCC ID SIFNANOPAN5375V1 to new FCC ID BXONNT5375-1000.

Upon approval of this request, TRX agrees to take full responsibility to comply with the relevant provisions set forth by the FCC rules as they apply to the certified device.

There are no other changes being done to this device.

Sincerely,
