Subject: Change of ID request

TRX Systems is requesting a change of ID for existing device from Bluegiga Technologies, Inc. with current FCC ID QOQWT12, granted on April 10, 2006, to new FCC ID BXOWT12-1000.

Upon approval of this request, TRX agrees to take full responsibility to comply with the relevant provisions set forth by the FCC rules as they apply to this device. The original test results from grant QOQWT12 will still apply.

There are no other changes being done to this device.

Sincerely,
