Pursuant to Sections 0.457 and 0.459 of the commissions rules, we hereby request that the following documents be held confidential:

- Operational Description
- Block Diagram
- Schematics
- Parts Lists
- Tune Up Information
- HW Design Description

These documents contain detailed system and equipment description and related information about the product which Ascom (Sweden) AB considers being proprietary, confidential and a custom design and otherwise would not release to the general public. Since the design is a basis from which future technological products will evolve, Ascom (Sweden) AB considers that this information would be of benefit to its competitors and that the disclosure of the information in these documents would give competitors an unfair advantage in the market.

If you have any questions, please feel free to contact me at the address shown below.
