Subject: FCC ID: C6M630

Mr. Fujimoto:

In order for processing of this certification application (FCC ID: C6M630) to continue, the following issue(s) will have to be addressed:

- 1) Please provide a purchase order for the certification fee.
- 2) Please provide a signed TCB contract.
- 3) The test report has the incorrect FCC identifier, please correct.
- 4) Please provide a copy of the Declaration of Conformity for the device.
- 5) Page 4 of the test report states that the conducted emissions test was not performed because the EUT's circuitry will be disabled and will only operate on a linear power supply. If the device can operate on a linear power supply, why wasn't the test performed. Please clarify.
- 6) Please indicate the type of modulation employed by the device.

The item(s) indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 60 days of the original e-mail date may result in application dismissal and forfeiture of the filing fee. Also, please note that partial responses increase processing time and should not be submitted. Please upload responses and/or exhibits to the electronic filing website. Your correspondence number is C6M630-1.
