A black smartphone is lying on a blue surface. A yellow measuring tape is placed diagonally across the frame, with the phone positioned next to it for scale. The tape shows measurements in inches and centimeters.

A close-up photograph of the back of a white smartphone. The device is positioned on a blue, textured fabric surface. In the center, there is a square camera lens with a black frame. Above the camera is a small, rectangular LED flash. Below the camera, there is a small, circular sensor, possibly a heart rate monitor or a proximity sensor. The phone's body is white with rounded edges. The background is a blue fabric with a visible weave pattern.
