Scope:

We wish to:

1. Add a new Emission Designator **4K10F1D** (12.5kHz) to the Grant of Authorisation for this base station transceiver, which will allow 4800 bps data to be transmitted using our C4FM data modulation scheme. Our finance staff will fax a Purchase Order Number for this job, and your invoice will be paid by telegraphic transfer, and I will upload the files that will be required by the FCC, to you.

Yours sincerely,
