To Whom It May Concern

Subject: Compliance Statement for BlueTooth and Wifi EMC Performance of the TPGB1A, TPGHKA, TPGH7A and TPGK5A Digital Portables (2400 – 2483.5 MHz Band)

EUTs are TPGB1A, TPGHKA, TPGH7A and TPGK5A Digital portables (TP9500 / TP9600 Brand).

The following test reports demonstrate full compliance of the EUT with testing against all relevant requirements of the test standards.

- FCC 47 CFR Part 15 Subpart C - 15.247
- Industry Canada RSS-247

TPGB1A: Test Reports 380420-1TRFWL (Bluetooth) and 380420-2TRFWL (WiFi)

TPGHKA: Test Reports 387154-1TRFWL (Bluetooth) and 387154-2TRFWL (WiFi)

TPGH7A: Test Reports 387153-1TRFWL (Bluetooth) and 387153-2TRFWL (WiFi)

TPGK5A: Test Reports 384990-2TRFWL (Bluetooth) and 384990-3TRFWL (WiFi)

Exclusions: Output Power, Spurious Emissions and Band edge compliance only were tested.

For all other measurements, reference Test Reports FR41320_R01, FR41320A_R01, FR41320B_R01, FR41320C_R01 from Sporton International Inc. for WL18MODGB.
