To Whom It May Concern

Subject: Compliance Statement for Bluetooth and Wi-Fi EMC Performance of the TPGHKB Digital Portable (2400 – 2483.5 MHz Band)

The EUT is TPGHKB, a Digital portable (TP9500 / TP9600 Series Brand).

Test Reports 240801_1 and 240801_2 produced by EMCTech, demonstrate full compliance of the EUT with testing against all relevant requirements of the test standards.

- FCC 47 CFR Part 15 Subpart C - 15.247
- Industry Canada RSS-247

Exclusions: Output Power, Spurious Emissions and Band edge compliance only were tested.

For all other measurements, reference Test Reports FA741320_R01, FA741320A_R01, FA741320B_R01, FA741320C_R01 from Sporton International Inc. for WL18MODGB.

A handwritten signature in blue ink that reads "L White".
