Authority to Act as Agent

I appoint Element Materials Technology Straubing GmbH to act as our agent in the preparation of this application for equipment certification. I certify that submitted documents properly describe the device or system for which equipment certification is sought. I also certify that each unit manufactured, imported or marketed, as defined in Industry Canada's regulations will have affixed to it a label identical to that submitted for approval with this application.

For instances where our authorized agent signs the application for certification on our behalf, I acknowledge that all responsibility for complying with the terms and conditions for Certification, as specified by Element Materials Technology (Element), still resides with Nedap N.V. – Parallelweg 2 – 7141 DC Groenlo – The Netherlands.

Dated this 19.day of 02, 2025.
