FCC NOTICE -

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation.

This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications.

However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Flare out to increase the receiving antenna.
- Increase the clearance between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

ONLINE

Changes or modifications made to this equipment, not expressly approved by Toshioka, could void the user's authority to operate the equipment.

CULTURE:

This appliance contains a laser system and is classified as a "CLASS II LASER PRODUCT". To use this model properly, read the Instruction Manual carefully and keep this manual for your future reference. In case of any trouble with this model, please contact your nearest "AURICOR-220 Service Station". To prevent direct exposure to the laser beam, do not try to open the lid/closure.

ACKNOWLEDGMENTS

Dieses Gerät stellt ein Laser-System und ist als "LASER PRODUKT DER KLASSE 2" klassifiziert. Für den richtigen Gebrauch dieses Modells ist die Bedienungsanleitung sorgfältig durchlesen und zu beachten. Insbesondere, falls Probleme mit diesem Modell auftreten, eine richtige "sachverständige Service-Vorstellung" herbeizuführen. Um einen direkten Kontakt mit dem Hersteller zu erreichen, sollte nach Gebrauch nicht geübelt werden.

LOWE'S

Some marketing of a drug, whether off label or on label, however, is appropriate and should be permitted at least in health care settings for physicians, pharmacists, and other health care professionals. At the same time, the marketing of a drug for off-label use should be prohibited for advertising to the general public.
