Permissive Change Class 2

Date : September 23, 2002  
Ref. No.: OFD-J3353

Federal Communication Commission  
Equipment Approval Services  
P.O.Box358315  
Pittsburgh, PA 15251-5315

Applicant: TOSHIBA Corporation  
Equipment: FCC ID: CJ6CET0200MT

Attached please find an application for the class II permissive change for the FCC granted equipment (ID: CJ6CET0200MT) in compliance with the FCC rules 2.931 and 2.1043.

The changes applied to the equipment are the following newly added accessories.

1. Battery Expansion Unit (Newly added accessory of Transceiver FCC ID: CJ6CET0200MT)
2. Soft Case and Belt Clip (Newly added accessory of Transceiver FCC ID: CJ6CET0200MT)

Additional data for the above changes is described in the Cover letter.

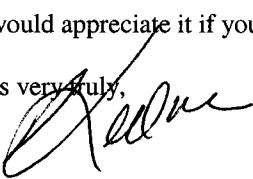

I hereby certify that the additional data and documents to be submitted for the above permissive change are of the FCC granted equipment (ID: CJ6CET0200MT).

A check for \$50.00 is attached in payment of the required filing fee for this Application.  
(Check no. 5702)

If you have any question, please contact Mr. P. Leone of Toshiba America Information Systems, Inc. at (949-587-6473) or Fax: (949-583-3204).

We would appreciate it if you would proceed with the above investigation at your earliest convenience.

Yours very truly,

  
Hideo Abe
