Dear Examiner:

Pursuant to the provisions of Sections 0.457 and 0.459 of the Commission's rules (47CFR 0.457, 0.459), we are requesting the Commission to withhold the following attachments as confidential documents from public disclosure indefinitely:

Antenna Specifications

Above mentioned document contains detailed system and equipment description that is considered proprietary information related to the operation of the equipment. The public disclosure of the above document might be harmful to our company and would give competitors an unfair advantage in the market.

In addition to the above documents, pursuant to Public Notice DA 04-1705 of the Commission's policy, in order to comply with the marketing regulations in 47 CFR 2.803, and the importation rules in 47 CFR 2.1204, while ensuring that business sensitive information remains confidential until the actual marketing of newly authorized devices, we are requesting the Commission to grant short-term confidentiality request for the following attachments:

External Photos

Internal Photos

Test Set-up Photos

Users Manual

It is our understanding that all measurement test reports, FCC ID label format and correspondence during certification review cannot be considered confidential documents and will be available for public view once the Grant of Equipment Authorization has been issued.

Sincerely,

Peter Leone
