Subject : Request for Change in Identification.

Dear OET Staff,

This Change of Identification request applies to a new FCC ID as established in 47CFR 2.933(b) for a currently approved device. This application by New Applicant will establish a new FCC ID: CJ6UPA3894WB under Toshiba Corporation grantees code for purpose of marketing. The original grant issued to Atheros Communications, Inc. will remain in effect.

Per 2.933(b)

1. The original identification is PPD-AR5B195
2. The original grant date is 10/09/2009
3. The equipment is electrically identical. Only the model name, trade name, and FCC ID number are different.
4. The original test results are applicable and representative of this changed device ID
5. Exterior photographs are included in this application
6. In addition to the original grant conditions, we would like to include the Class II permissive change grant condition under this new FCC ID. The Class II permissive change was granted on February 10, 2010. Changes are adding portable category with the most conservative separation distance of 16.1cm. This device will be used with PIFA antenna up to 3.62dBm peak antenna gain including cable loss. Toshiba's changed FCC ID will have the same condition.

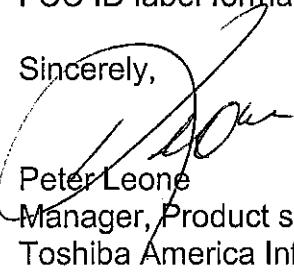

The following files are electronically submitted as attachments:
