

4.3.1 Front view, complete ITS-5724 Transmitter

The image shows the front view of the ITS-5724 Transmitter. The device is a vertical, light-colored panel with a control interface on the left and a large speaker grille on the right. The control interface includes a SAGEM logo, four indicator lights (A, B, C, D), a digital display, and several buttons labeled 'D3', 'ENTER', and 'EXIT'. The top of the panel features a 'SAT-DIV-MCD' label and a 'PWR-2KCD' label. The bottom of the panel has a 'AIRC ITS Corporation' logo and a 'PWR-2KCD' label. The speaker grille is composed of many horizontal slats.

4.3.2 Rear view, complete ITS-5724 Transmitter

4.3.3 Top view, ITS-5724 Upconverter/Amplifier Tray (Open Front Panel)

4.3.9 Front view, 10 Pole Channel Filter
