Attention: Application Examiner

RE: Request for Confidentiality  
Applicant: Signal Communications Corporation  
FCC ID: CNISC8-ADTX

To Whom It May Concern:

Request is hereby submitted by Signal Communications Corporation to withhold permanently from public review certain portions of the application for equipment certification for the referenced FCC identifiers. This request for confidentiality is made pursuant to 47 CFR 0.457(d) and 0.459 of the FCC Rules. In particular, the following sections of the application are to be kept permanently confidential:

- **Schematics**
- **Detailed Operational/Functional Description**
- **Tune up procedure**
- **Parts list**

Signal Communications Corporation has invested considerable time and materials in research and development to produce the referenced product. Disclosure of the permanently confidential portions of this application to competitors would not only give them significant competitive advantages in developing similar products, but would also disclose successful implementation of unpublished, leading edge technology developed by us.

Sincerely,

A handwritten signature in black ink, appearing to read 'Nadim Farhat', written over a horizontal line.
