

Front View of the CE984A

The image shows a black rectangular electronic device, likely a radio frequency identification (RFID) tag or reader component. The device is labeled with the model number RDR-7LJ2AKU-HP and the manufacturer RF ID Systems, Inc. The label also includes a barcode, the FCC ID W99NCR141, and various regulatory markings (FCC, CE, RoHS). A white cable is connected to the left side of the device. A ruler and a 'COMMUNICATION CERTIFICATION LABORATORY' scale are placed next to the device for scale.

Front View of the CE982A

The image shows the back of a black HP RDR-7LJ2AKU-HP mobile phone. The back cover is removed, revealing the internal battery compartment. A white label on the battery provides the following information:

- Model: RDR-7LJ2AKU-HP
- Serial: L500004
- Regulatory markings: FCC ID: M99RDR7LJ1, IC: RDR7LJ1, DC: 0912N, FW: HPUC0912N
- Logos: FCC, CE, and a recycling symbol.

A ruler and a Communication Certification Laboratory scale are placed next to the phone for scale. The scale shows the phone is approximately 4.5 inches wide.
