Subject: Request under 47 CFR 0.459 that materials submitted to the Commission be withheld from public inspections.

Hewlett-Packard (HP) requests the materials attached here to be withheld from public inspection in accordance with 47 CFR 0.457 and 0.459. Specifically, HP requests that the items listed below be withheld from public inspection because all schematics and block diagrams are considered to be confidential trade secrets and technical data which customarily would be guarded from competitors of HP and of our OEM suppliers:

1. Detailed circuit schematics.
2. Block diagrams
