

OVS-02 Models

				Structure	
	Model	Application	COLOR	Common PCB	
1	OVS-02GT(BL) [Main model]	Traffic signal control Freeway ramp signal Car Count Car warning Barrier gate Parking	BLACK		 
2	ProAccess2 [OEM model]	Car Count Car warning Barrier gate Parking	BLACK		
3	OVS-02GT(GR)	Car Count Car warning Barrier gate Parking	GRAY		 
4	OVS-02RS(GR)	Parking			
5	OVS-02BRS(GR)	Parking	GRAY		 
6	OVS-02B(GR)	Traffic signal control Freeway ramp signal Car Count Car warning Barrier gate Parking			

These models use the common PCB.
These differences cause no influence to radio specification.
There was no degradation of EMC characteristic.
Therefore we can consider them electrically identical.
