

The image shows a green printed circuit board (PCB) for a mobile phone. Key components visible include a large white battery, a black antenna cable connected to a port on the right, and various electronic components like capacitors, resistors, and integrated circuits. A white label with a barcode and the text "8 14295 15155 95A21281 03" is attached to the bottom. The PCB is populated with numerous surface-mount components and has several test points and pads.
