Daniel E. Crowder  
Elite Electronic Engineering  
1516 Cetre Circle  
Downers Grove, Illinois 60515

Dear Mr. Crowder:

Shure Incorporated manufactures and markets audio products for use in varied environments. Among these are wireless microphone systems used in performance and public-speaking venues.

The Shure P10T (DD4P10Txx) is marketed for use in professional audio applications where high-quality audio reproduction and reliability are needed.

Sincerely,

Craig Kozokar, Project Engineer  
Global Compliance
