

This document provides a sample warning label per Part 15 Section 121 (f) and a sample FCC ID label with compliance statement per Part 15 Section 19 (a) (3). Both labels will be permanently affixed to the external case of the radio with a permanent adhesive (see the label location file for the exact locations).

**WARNING: MODIFICATION OF THIS DEVICE TO RECEIVE CELLULAR
RADIOTELEPHONE SERVICE IS PROHIBITED UNDER FCC
RULES AND FEDERAL LAW.**

FCC ID DJ7-599 This device complies with
Part 15 of the FCC Rules. Operation is subject
to the following two conditions: (1) this device
may not cause harmful interference, and
(2) this device must accept any interference
received, including interference that may cause
undesired operation.
