Re: Supersede request for FCC ID: E2K-DWBT2; Granted on: Aug/06/2009

To Whom It May Concern:

We regret to inform you that due to internal process error, we have submitted the inappropriate ID Label / Location Info exhibit to the filling.

Since our client request to hide external and internal photo for a period, but they use real picture of EUT to show label location. So we would like to request the FCC to supersede the exhibit described as "**Label Sample and location Module**" outlined below with red color.
