

Setup

1

Fully charge battery before first use.  
1. Connect Looxcie 3 to computer with micro USB cable.  
  
Insert memory card (not included).  
1. Insert microSD card into microSD slot.  
2. Push card into the slot until it clicks.  
3. To remove, push again and card will pop out.  
4. Note: Looxcie 3 supports class 4 or greater microSD cards, up to 32GB.

Download

2

Desktop App and Firmware Update  
1. Download LooxcieDesktop utility onto a PC or Mac.  
2. Connect camera to your computer with USB cable.  
3. Launch LooxcieDesktop to check for firmware updates.  
  
Mobile App  
1. Download Looxcie mobile app onto an Android or iOS smartphone or tablet.  
  
Get both apps: [www.looxcie.com/apps](http://www.looxcie.com/apps)

Connect

3

1. To turn on, hold power button for two seconds until status indicator flashes green.  
When the status indicator is solid green, the Looxcie 3 is ready to connect.  
2. Launch Looxcie mobile app and pair your smartphone to the Looxcie 3 following instructions on screen.

Record, Snap & Share

4

When connected to app  
1. **Video:** Press the “video” button on the app to toggle recording on and off.  
2. **Photo:** Press the “camera” button on the app to take a photo. (Feature coming soon)  
3. Preview video/photo on the Looxcie app and share with friends and family.  
When not connected to app  
1. **Video:** Press [Mode] button to toggle to Video mode. Press [Record] button to start recording and press again to stop.      
2. **Photo:** Press [Mode] button to toggle to camera mode. Press [Record] button to capture photo.     (Feature coming soon in firmware update)  
Tip: Status indicator is red when recording video.  
  
To download videos: **connect camera to computer via USB**

Go Live!

5

Streaming Live  
From the Looxcie app:  
1. To start streaming, tap “Streaming” icon.  
2. To add a title, tap “Tap to title” on video image.  
3. To invite friends or stream publicly, swipe screen to the left for options.  
4. To view your recorded streams, tap “My Profile” in the menu bar.  
Viewing Streams  
1. To view streams, tap video thumbnails on home screen.  
2. To watch online, install Looxcie App for Facebook.
