Re: Request for Confidentiality

Gentlemen:

In reference to the class II application under FCC ID: ED9LMX9838 and pursuant to Sections 0.457(d)(1)(ii) and 0.459 of the Commission's Rules, the Applicant hereby requests confidential treatment of the accompanying information as outlined below:

Schematics

These documents contain detailed system and equipment description and related information about the product that National Semiconductor Corp. considers to be proprietary, confidential, and a custom design and, otherwise, would not release to the general public. Since this design is a basis from which future technological products will evolve, National Semiconductor Corp. considers that this information would be of benefit to its competitors, and that disclosure of the information in these documents would give competitors an unfair advantage in the market.

Sincerely,

Sanda Medancic
Project Manager
National Semiconductor Corp.
