Request for Confidentiality for External Photographs

In accordance with 47 CFR Section 0.459, Orion Electronics Limited requests confidentiality of the following exhibits presented as part of an Application for Equipment Authorization under FCC ID: EFCST800:

Exhibit 3: External Photos (Exhibit\_3\_External\_Photos.pdf)

Exhibit 3 contains confidential information available only to qualified law enforcement agencies. Orion Electronics Limited controls access to this information through a password protected web site and other security measures that protect the interests of its customers. Apart from the web site, the only other times when people can look at the equipment or marketing material is at trade shows specifically for law enforcement agencies. The general public is not permitted at these shows and they have very tight security to protect both vendors and participants.

Sincerely,  
Paul Sangster  
Sales Manager
