

Information about the Applicant

Grantee (Company Name)	Intermec Technologies Corporation
FCC Contact Person	Dave Fry
Address	550 Second Steet SE
City, State, Zip	Cedar Rapids, IA 52401
Job Number	INMC0503
Model	BTM4
FCC ID	EHA-BTM4
Agent	Sean MacKellar
Approval Type	Class II Permissive Change
Equipment Class	DTS Digital Transmission System
Rule Part	15C

Overview

A Class II Permissive Change authorization of a new RF exposure condition is requested. The BTM4 radio is co-located with the model IM4 RFID radio, FCC ID: EHAIM4 in the Intermec Model IP30 RFID reader. This collocation configuration has been previously authorized.

The new RF exposure condition occurs when the Intermec CK3 Series handheld computer is connected to the IP30. The CK3 contains the model DHIB radio module, FCC ID: EHA-CK3DHIB. In this configuration, only hand-held use is possible, so MPE estimates were performed for the co-located radios. No changes were made to the hardware or software of the radios in these co-located configurations.

Recommendation

All items have been resolved and completed to my satisfaction; therefore I recommend this application for approval.
