

**iHome**      FCC ID: EMOHDL50  
 Model: HDL50      IC: 986B-HDL50  
 Frequency Range : FM 87.5 - 107.9 MHz  
 Clock Backup: DC 3V, CR2450 x 1  
 AC Adaptor: DC 12V 3.5A  
 Service No: HDL50-A-A  
 Mfd & Serviced by HTI Industries LLC  
 www.hoteltech.com  
 Toll Free: 1-888-744-6835  
 Made in China

OPEN DOOR

This device complies with Part 15 of the FCC Rules.  
Operation is subject to the following two conditions:  
(1) this device may not cause harmful interference,  
and (2) this device must accept any interference received,  
including interference that may cause undesired operation.  
This Class B digital apparatus complies with Canadian  
ICES-003.  
Cet appareil numérique de la classe B est conforme à la  
norme NMB-003 du Canada.
