To Whom It May Concern:

The information included in this filing contains innovative new design specifications for the new ESTeem 192E product. We have spend considerable time researching and developing this product to out perform our competitors and request for the Schematics, Block Diagram, as well as the operation description originally submitted on August 6, 2001, not be released to the public.

Sincerely,

A handwritten signature in cursive script that reads "D. Brent Strecker".
