| <b>Common MC3C and MC3C1 Internal</b>                                                        | <b>2</b>  |
| 1. MC3C / MC3C1: Internal - Power & USB Board Front                                          | 2         |
| 2. MC3C / MC3C1: Internal - Power & USB Board Back                                           | 2         |
| 3. MC3C / MC3C1: Internal - MAS TX Board Front                                               | 3         |
| 4. MC3C / MC3C1: Internal - MAS TX Board Back                                                | 3         |
| 5. MC3C / MC3C1: Internal - SR Radio Front – With Shield                                     | 4         |
| 6. MC3C / MC3C1: Internal - SR Radio Back – With Shield                                      | 4         |
| 7. MC3C / MC3C1: Internal - SR Radio Front – Without Shield                                  | 5         |
| 8. MC3C / MC3C1: Internal - SR Radio Back – Without Shield                                   | 5         |
| 9. MC3C / MC3C1: Internal - Diplexer Front                                                   | 6         |
| 10. MC3C / MC3C1: Internal - Diplexer Back                                                   | 6         |
| 11. MC3C / MC3C1: Internal - MAS PA Front                                                    | 7         |
| 12. MC3C / MC3C1: Internal - MAS PA Back                                                     | 7         |
| <b>MC3C Internal</b>                                                                         | <b>8</b>  |
| 13. MC3C: Internal - Open View (cabled Top & Bottom laid out)                                | 8         |
| 14. MC3C: Internal - Top Assy closeup (w/ Dual Carrier Board, SR Radios and Bandpass Filter) | 8         |
| 15. MC3C: Internal - Bottom Assy (w/ Power Board, MAS Tx Board, Diplexer)                    | 9         |
| 16. MC3C: Internal - Dual Carrier Board Front (without SR Radios)                            | 9         |
| 17. MC3C: Internal - Dual Carrier Board Back (without SR Radios)                             | 10        |
| <b>MC3C1 Internal</b>                                                                        | <b>10</b> |
| 18. MC3C1: Internal - Open View (Top & Bottom laid out)                                      | 10        |
| 19. MC3C1: Internal - Top Assy (case only)                                                   | 11        |
| 20. MC3C1: Internal - Bottom Assy (w/ Power Board, MAS Tx Board, Diplexer)                   | 11        |

## Common MC3C and MC3C1 Internal

### 1. MC3C / MC3C1: Internal - Power & USB Board Front

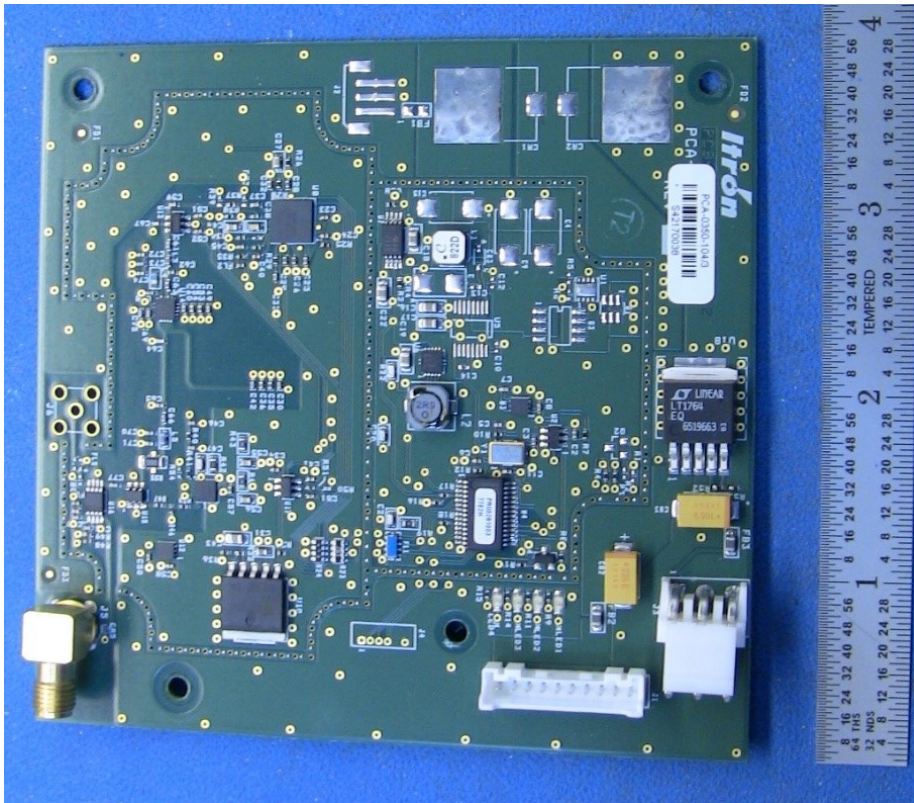

### 2. MC3C / MC3C1: Internal - Power & USB Board Back

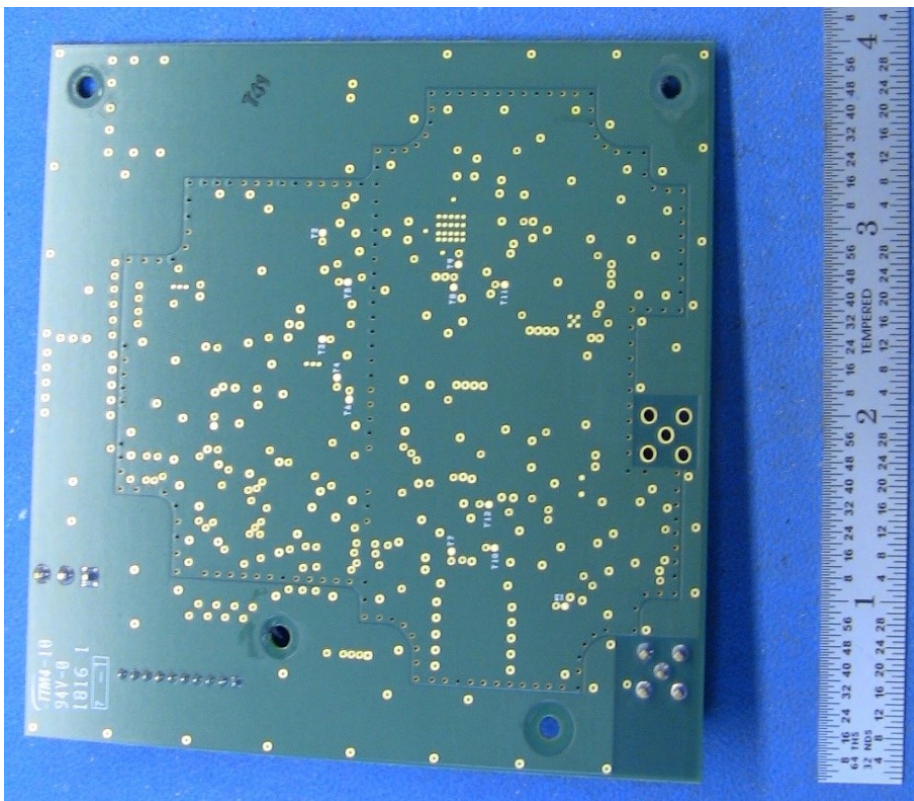

3. MC3C / MC3C1: Internal - MAS TX Board Front

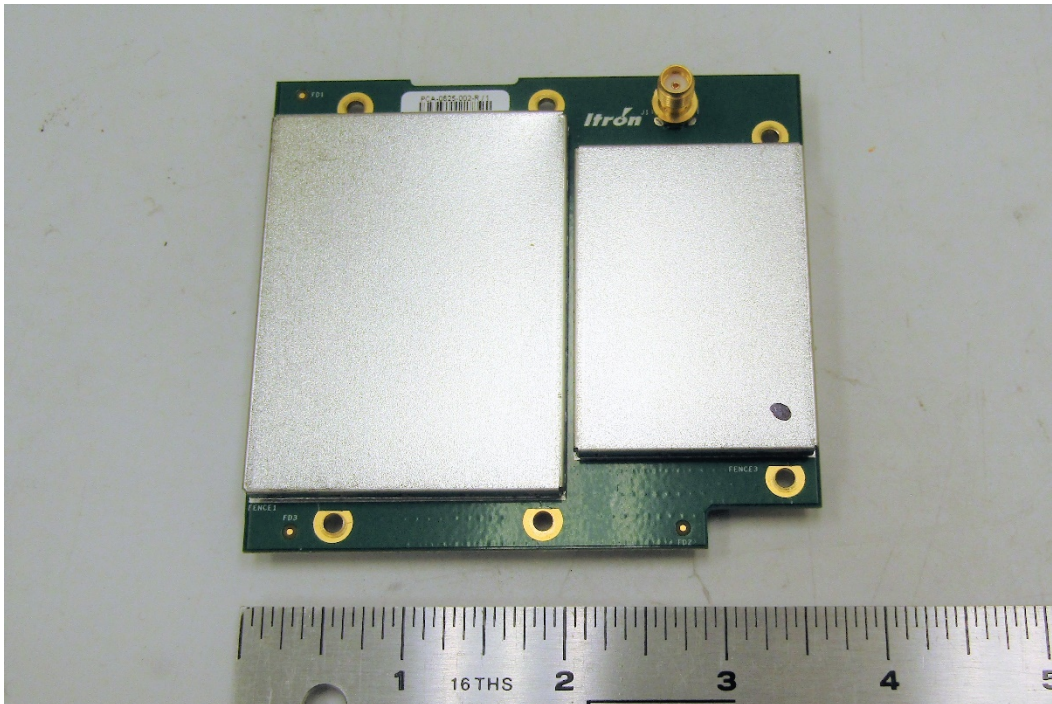

4. MC3C / MC3C1: Internal - MAS TX Board Back

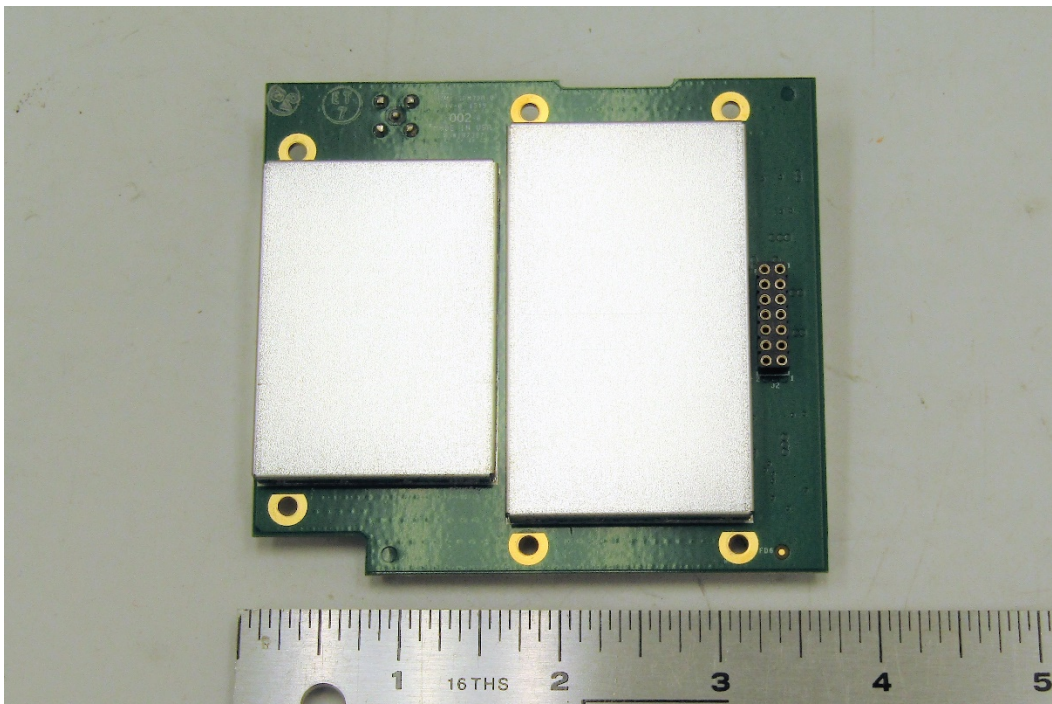

5. MC3C / MC3C1: Internal - SR Radio Front – With Shield

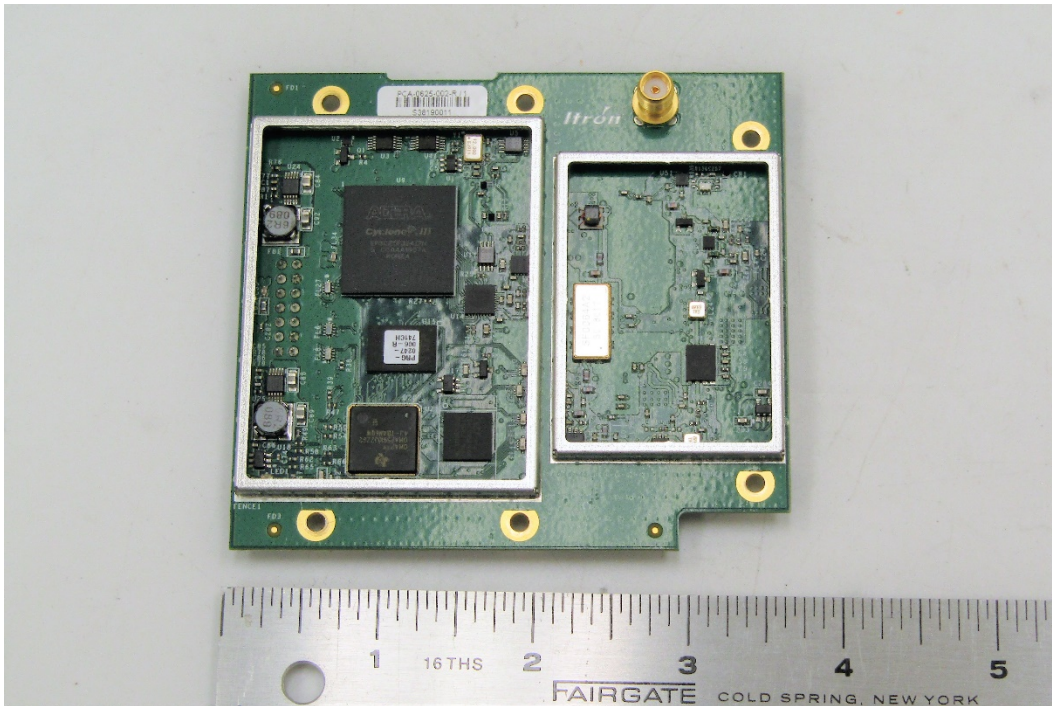

6. MC3C / MC3C1: Internal - SR Radio Back – With Shield

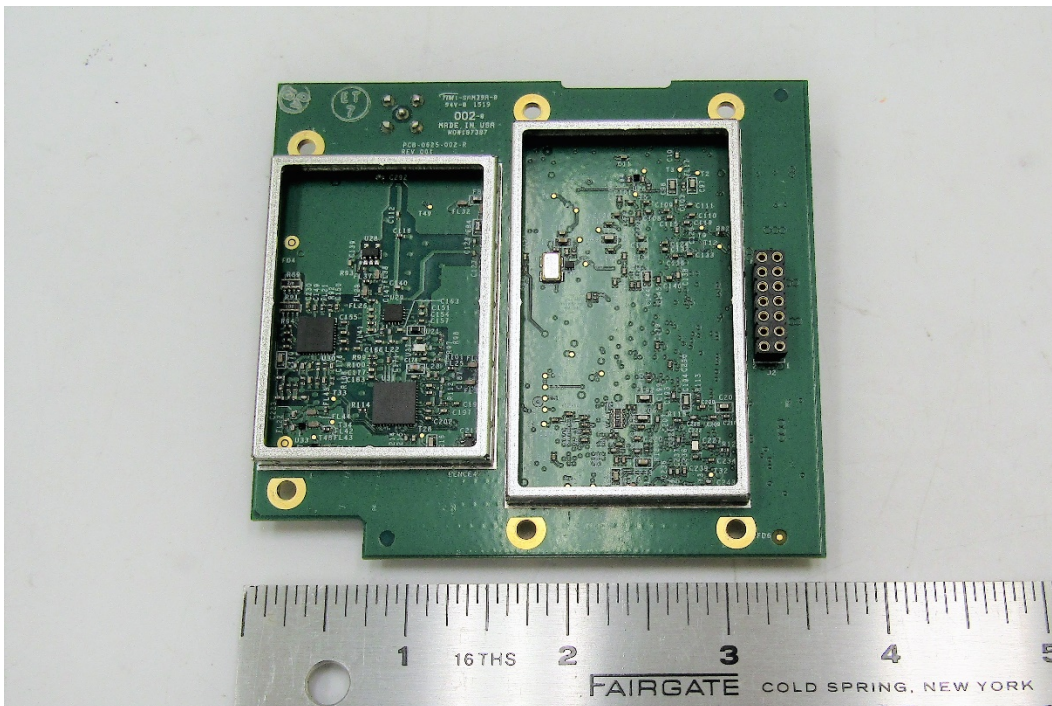

7. MC3C / MC3C1: Internal - SR Radio Front – Without Shield

8. MC3C / MC3C1: Internal - SR Radio Back – Without Shield

9. MC3C / MC3C1: Internal - Diplexer Front

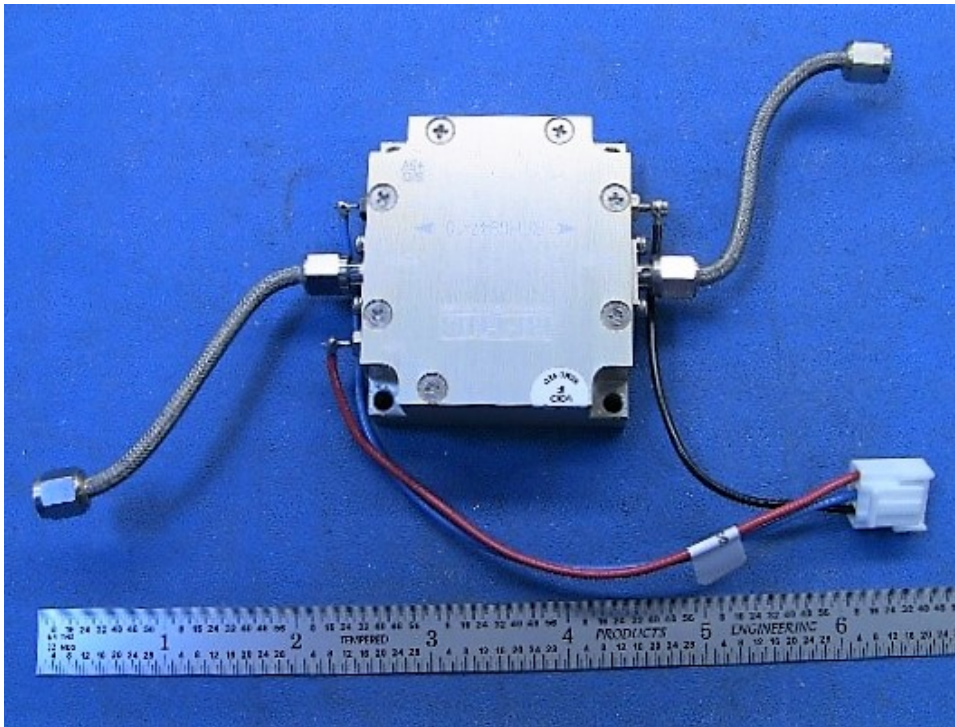

10. MC3C / MC3C1: Internal - Diplexer Back

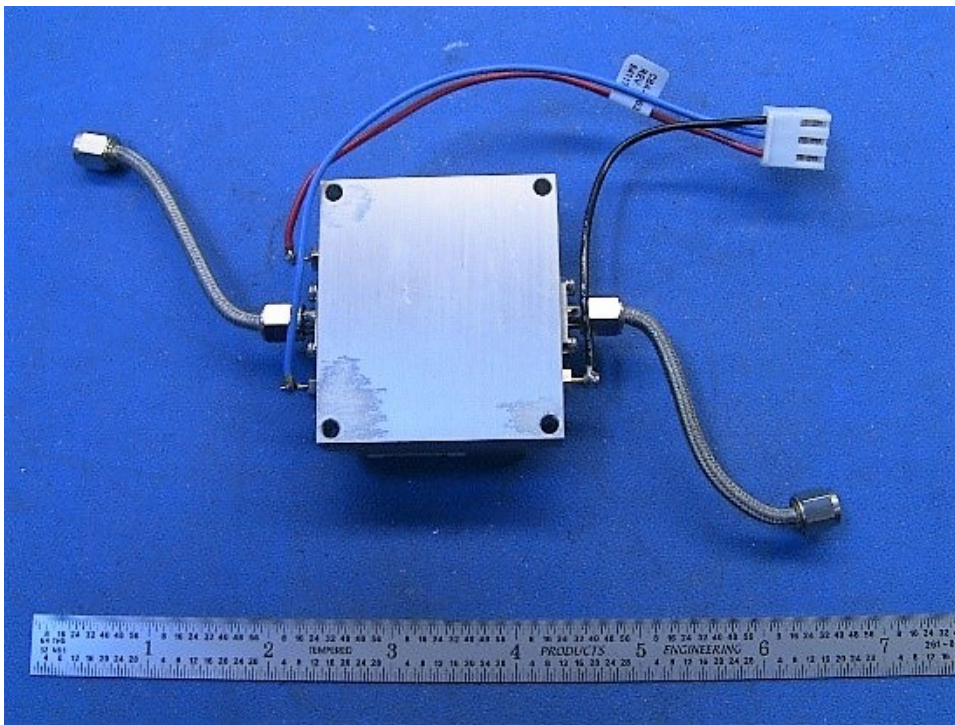

11. MC3C / MC3C1: Internal - MAS PA Front

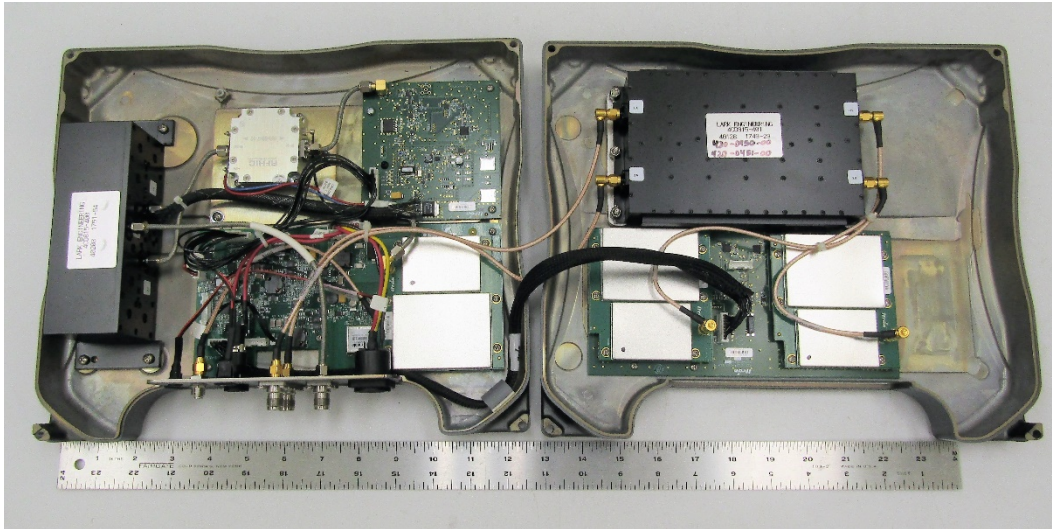

12. MC3C / MC3C1: Internal - MAS PA Back

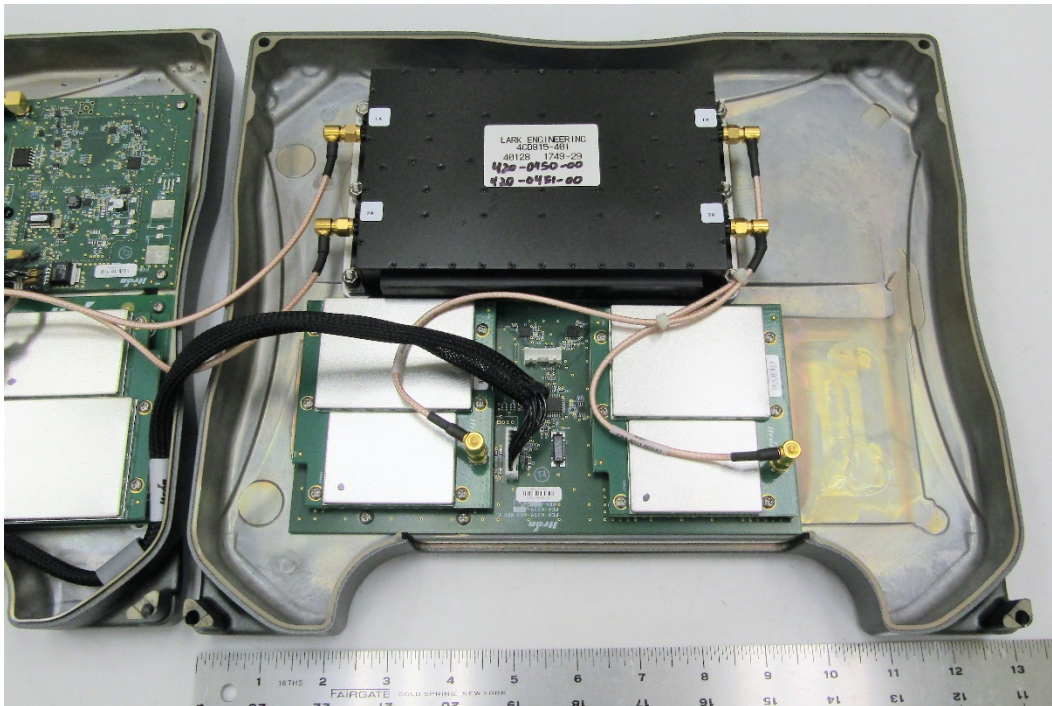

## MC3C Internal

### 13. MC3C: Internal - Open View (cabled Top & Bottom laid out)

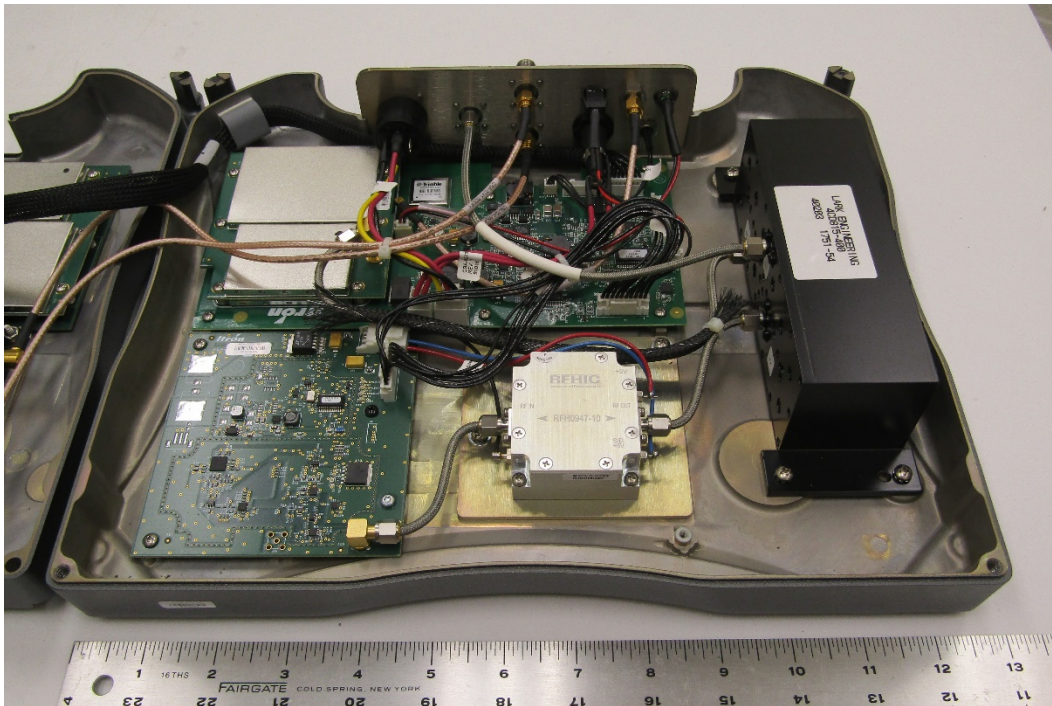

### 14. MC3C: Internal - Top Assy closeup (w/ Dual Carrier Board, SR Radios and Bandpass Filter)

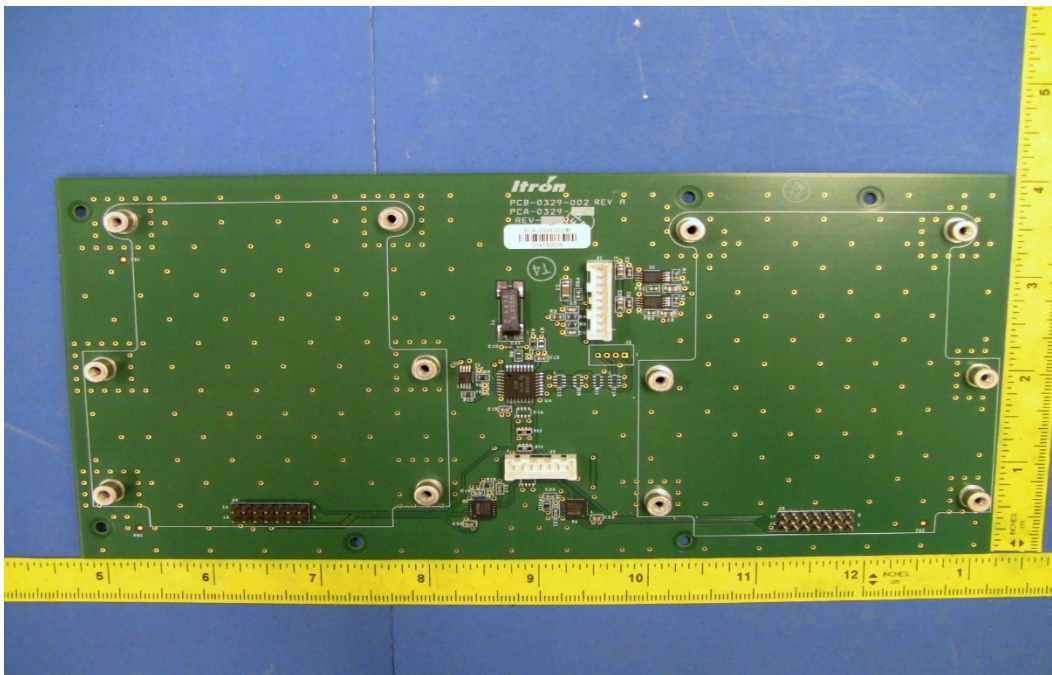

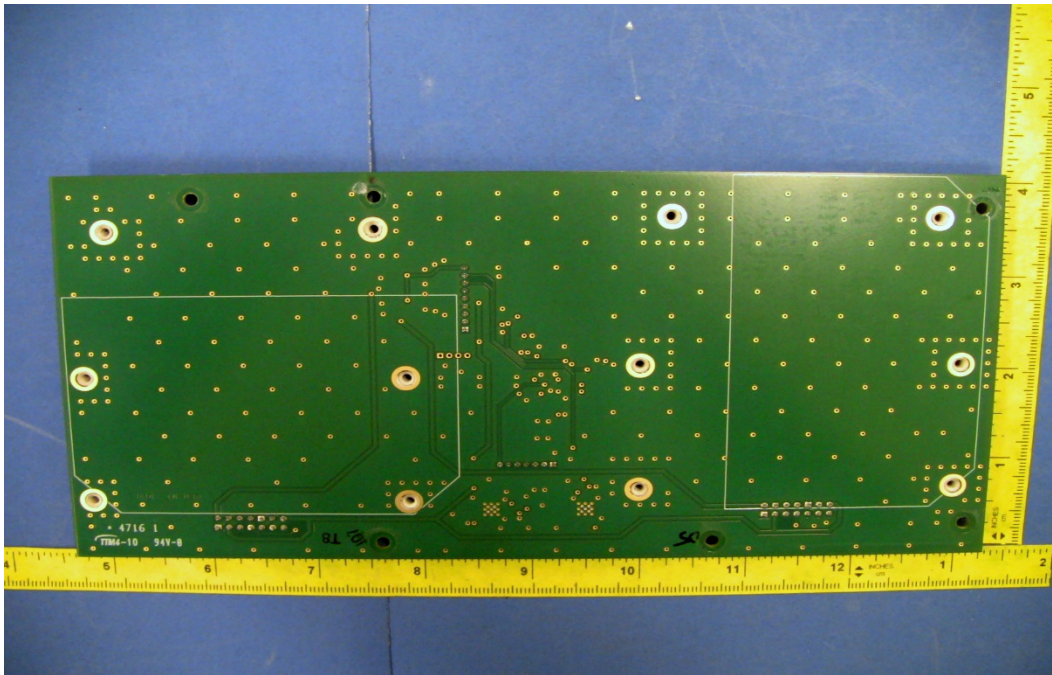

15. MC3C: Internal - Bottom Assy (w/ Power Board, MAS Tx Board, Diplexer)

16. MC3C: Internal - Dual Carrier Board Front (without SR Radios)

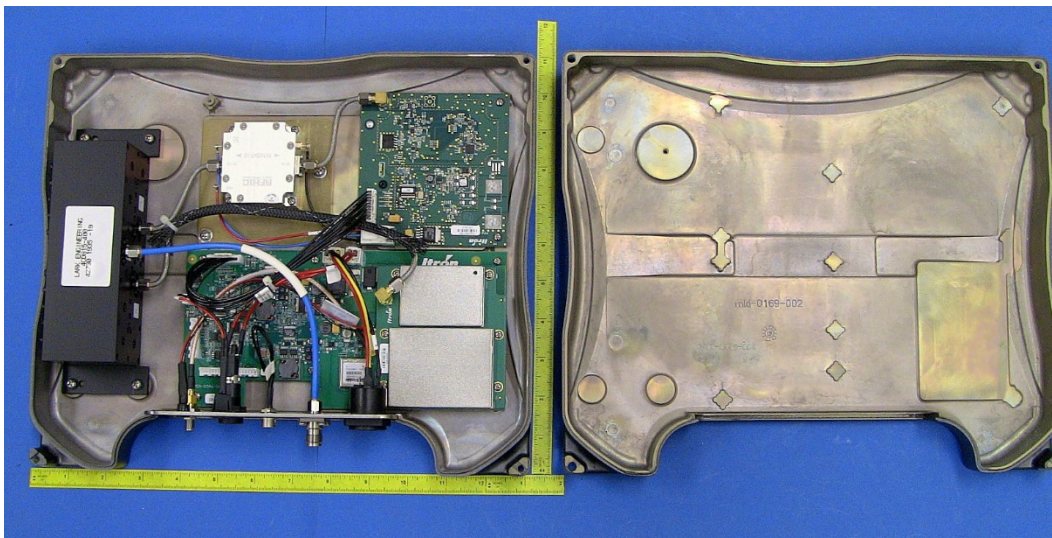

17. MC3C: Internal - Dual Carrier Board Back (without SR Radios)

MC3C1 Internal

18. MC3C1: Internal - Open View (Top & Bottom laid out)

19. MC3C1: Internal - Top Assy (case only)

20. MC3C1: Internal - Bottom Assy (w/ Power Board, MAS Tx Board, Diplexer)
