Request for Superseding Files for the Pending Application

To Whom It May Concern:

Please remove the following two files from the above-referenced pending application:

Duty Cycle_CWD6660.pdf
Theory of Operation_CWD6660.pdf

Please add the following file to the above-referenced pending application:

Theory of Operation_CWD6660 Revised 041610.pdf

The information in the "Duty Cycle_CWD6660.pdf" exposes the radio chip, the key component, of the transmitter. The public disclosure of the information might be harmful to our company and would give competitor an unfair advantage in the market. We would like to have this information included in the Theory of Operation, which is held confidential.

Thank you very much for your time and look forward to your approval.

Best Regards
