Subject: Original Application for Class B Computing Device  
FCC ID: EUNS220 / Notebook Computer, Model S220 Series

Gentlemen:

Enclosed, find First International Computer Inc.'s Original Application dated September 20, 2000. This product is in compliance with Part 15, Subpart B of the FCC Rules.

The subject product is a Multimedia Notebook Computer that will be marketed with various features and options such as: (1) one-of-two CPU by Intel Pentium III-500 or Celcron-500 that are provided with external clock frequencies 66 and 100 MHz; (2) AC Adapter with DC cable with ferrite core by Delta type ADP-45LH or by Li-Shin type LSE-9802A1660; (2) one-of-two type LCD with maximum resolution 800x600 or 1024x768, Non-Interlaced; (3) one of four type CD or DVD Drives; (4) optional Askey Modem Card type 1456VQL19S and D-Link LAN Card type PIC-NS; (5) optional external passive 3-in-1 Port Bar type S220-PB; (6) optional external FDD/CD-ROM or FDD/DVD with interface cable with ferrite core authorized under DoC; and (7) various other features and options.

This EUT was multimedia system tested in accordance with ANSI C63.4-1992 with all available interface ports connected to suitable peripheral devices. The provided tests were performed in two representative configurations with both type CPUs and other optional devices to show compliance with CISPR 22 Class B limits.

Should you have any questions or comments, please contact the undersigned. Thank you for your attention and cooperation in this matter.

Sincerely yours,

Richard Mullen
