Purpose of Change

Dear Sir/Madam:

Re: Application for a Permissive Change Filing with FCC ID: EW780-5656-00(Base)

The purpose of this document is to describe all the changes that are made to the VTECH designed model, TL72108, TL72208, TL72308 and TL72408 from the previous model mi6866, to match the new enclosure and features.

Changes from the new TL72108, TL72208 , TL72308 and TL72408 to the existing mi6866:

- Base main PCB and keyboard layouts have changed

Similarities between the new TL72108, TL72208 , TL72308 and TL72408 to the existing mi6866:

- Same RF chip set and circuitry
- Same frequency band & channels
- The interface signals to and from the RF part are identical
- The power supply scheme and the DC current consumption are very similar
- Uses the same type of antenna

Sincerely,

Ricky Ng
Technical Manager
