Purpose of Change

Dear Sir/Madam:

Re: Application for a Permissive Change Filing with FCC ID: EW780-5735-02(Base)

The purpose of this document is to describe all the changes that are made to the VTECH designed model, **EL42x08** from the previous model ia5863, to match the new enclosure.

Changes from the new EL42x08 to the existing ia5863:

- Base baseband circuit has changed
- Base main PCB and keyboard layouts have changed
- Base power management have changed.

Similarities between the new EL42x08 to the existing ia5863:

- Same RF chip set and circuitry
- Same frequency band & channels
- The interface signals to and from the RF part are identical

- Uses the same type of antenna

Sincerely,

Ricky Ng
Technical Manager
