Attn: Director of Certification

FCC ID: EW780-5750-00 (Base)
EW780-5750-01 (Handset)

Product Name: Vtech T2326 and Vtech T2340

Dear Sir / Madam:

Re: Application for an Original Certification

The purpose of this document is to describe the differences between Vtech T2326 and Vtech T2340. They are all VTech designed new family models which are both 2.4GHz/900MHz analog cordless telephones with caller ID on handsets.

Vtech T2326 : one handset & one base system

Vtech T2340 : identical to Vtech T2326 plus one identical handset & standalone charger. The package configuration is 2 handsets, 1 base & 1 standalone charger

Vtech T2326 and Vtech T2340 are with identical electronics on both handsets and bases.

Sincerely,

A handwritten signature in black ink, appearing to read "Joseph Poon".
