Purpose of Change

Dear Sir/Madam:

Re: Application for a Permissive Change Filing with FCC ID: EW780-5750-00 (Base) and FCC Registration No.: EW7W401B80-575000

The purpose of this document is to describe all the changes that are made to the VTECH designed model, **VTech CS2111** from the previous model VTech T2326, to match the new enclosure.

Changes from the new CS2111 to the existing T2326:

- Base baseband circuit has changed
- Base main PCB layouts have changed
- Base power management have changed

Similarities between the new CS2111 to the existing T2326:

- Same RF chip set and circuitry
- Same frequency band & channels
- The interface signals to and from the RF part are identical

- Uses the same type of antenna
- Same line interface circuit

Sincerely,

Ricky Ng
Technical Manager
