Purpose of Change

Dear Sir/Madam:

Re: Application for a Permissive Change Filing with FCC ID: EW780-6044-00 & EW780-6044-01

The purpose of this document is to describe all the changes that are made to the VTech Telecommunications Ltd. designed family models: 6031 / 6032 / 6041 / 6042 / 6043 / 6052 / 6053 in which the RF module is the same as the previous granted model: DE6010 except the following:

Changes from the existing DE6010 to the 60XX series:

1. Handset PCB from two layers FR4 change to four layers FR4 and PCB size is increased;
2. Base PCB size is increased;
3. Handset LCD size is increased due to different handset housing;
4. Base antenna uses F-type antenna instead of monopole antenna;
5. The base and the handset housing have slightly different;
6. Digital answering machine features are added in the models: 6032 / 6042 / 6043 / 6052 / 6053.

Similarities between DE6010 and the 60XX series:

1. Same RF chipset and circuitry;
2. Same frequency band and channels;
3. Handset uses the type of antenna;
4. The interface signals to and from the RF part are identical;
5. The power supply scheme and the DC current consumption are almost the same;

Regards,

William Tse
