Purpose of Change

Dear Sir/Madam:

Re: Application for a Permissive Change Filing with FCC:EW780-6948-00, FCC Registration No.: US:EW7W401B80-694800 and IC: 1135B-80694800

The purpose of this document is to describe all the changes that are made to the VTECH designed family models **VTech LS6217 and LS6217-xy series** which have the similar design as original model **VTech CS6229/CS6219 series** except the following.

Changes from the existing CS6229/CS6219 series to the new models LS6217 and LS6217-xy series:

- New base line interface PCB layout
- New base and handset main PCB layout
- New cosmetic design between new & existing model
- New base and handset antenna design

Similarities between existing CS6229/CS6219 series to the new models LS6217 and LS6217-xy series:

- The DC current consumption are very similar
- Same telephone line interface and speech modules between new & previous model
- Same RF chip set, RF circuitry, and RF PCB base and handset
- Same frequency band and channel
- LS6217 and LS6217-xy series has no answer machine as CS6219 series.

Sincerely,

Samson Man
Approbation Supervisor
