Purpose of Change

Dear Sir/Madam:

Re: Application for permissive change of family models with FCC ID: EW780-6948-00 and with FCC Registration No.: US: EW7W401B80-694800

The purpose of this document is to describe the changes on the VTech designed family models LS6226/LS6225 series.

Changes from the originally granted family models CS6229 series to the permissive changed models LS6226/LS6225 series:

- Different base main PCB layout
- Different base line interface PCB layout
- Different base antenna design
- Different adaptor model
- Different cosmetic details

Similarities between originally granted family models CS6229 series and the permissive changed models LS6226/LS6225 series:

- Same RF chip set, RF circuitry and RF PCB
- Same frequency band and channels
- Same base line interface circuit and speech modules
- LS6226/LS6225 series has answer machine feature as CS6229 series

Sincerely,

Samson Man
Approbation Supervisor
