Dear Moses,

Here is my comment, if you have further question, please feel free to contact with me.

Handset Model S2310 with the same design as Handset Model S2410,
Handset Model S2320 with the same design as Handset Model S2420

Handset Model S2410 & Handset Model S2420 are powered by rechargeable battery
Handset Model S2310 & Handset Model S2320 are powered by PoE cradle via an external connection cable. No rechargeable battery applied to these Handsets

Model S2310 & S2410 are verified and the SAR result of Model S2410 represented as the worst case

Model S2320 & S2420 are verified and the SAR result of Model S2420 represented as the worst case

Thanks

Best Regards,

莊 閔 暉 Sam Chuang
