

Federal Communications Commission
7435 Oakland Mills Road
Columbia, MD. 21046

25 July 2000

To whom it may concern;

Maxon hereby certifies that the Cellular Subscriber unit, Model MX-1111 Complies with FCC OST 53 pursuant to 47 CFR 22.915.

Furthermore, in conjunction with 47 CFR 22.919, Electronic Serial Number (ESN), and the protection requirements contained therein, the MX-1111 Complies with all provisions.

Pursuant to 47 CFR 22.919 The Enhanced 911 (E 911) requirements are satisfied by the A / B method. Whereas, if poor or no service is available on the "A" system that has service provisioned, the unit will seek a control channel in the "B" carriers system for E 911 dialing.

Sincerely,
