Nemko Canada Inc.

Subject: FCC/IC Multiple listing request

We, Visonic Ltd., having a business address at 24 Habarzel St., Tel-Aviv 69710, Israel, authorize Digital Security Controls, a division of Tyco Safety Products Canada Ltd., having a business address at 3301 Langstaff Rd., Concord, ON, L4K4L2 Canada, to apply for FCC and IC multiple listings for the models mentioned below and we authorize FCC and IC Departments to use information on file to grant such multiple-listing certification for these devices. We also declare that the DSC models to be multiple-listed are identical in design and construction to the originally approved models from Visonic with the only difference being the marketing names.

DSC					VISONIC
