To whom it may concern:

Secure Wireless was a wholly owned subsidiary of Linear LLC until late last year (2012). At that time Linear LLC consolidated operations by closing Secure Wireless and consolidating their engineering and accounting groups into Linear LLC. They moved into the Linear LLC corporate headquarters in the first quarter of 2013.

The Secure Wireless FCC/IC certifications and UL Listings have been absorbed into Linear LLC.

DSC was a major OEM customer of Secure Wireless. Now as the current manufacturer, Linear LLC manufactures OEM equipment for DSC using DSC's FCC and Industry Canada (IC) ID codes. Linear LLC also holds UL Listings for DSC equipment. DSC is a Multiple Listee of Linear's UL security / signaling equipment...

John W. Kuivinen, P.E. is an agent for DSC in the preparation of certain FCC and Industry Canada applications. John W. Kuivinen is also the Senior Regulatory Compliance Engineer for Linear LLC and Secure Wireless for their FCC, Industry Canada and UL applications.
