Nemko Canada Inc.

Subject: FCC/IC Multiple listing request

We, Visonic Ltd., having a business address at 24 Habarzel St., Tel-Aviv 69710, Israel, authorize Digital Security Controls, a division of Tyco Safety Products Canada Ltd., having a business address at 3301 Langstaff Rd., Concord, ON, L4K4L2 Canada, to apply for FCC and IC multiple listings for the model mentioned below and we authorize FCC and IC Departments to use information on file to grant such multiple-listing certification for this device. We also declare that the DSC model to be multiple-listed is identical in design and construction to the originally approved model from Visonic with the only difference being the marketing names.

No.	DSC				VISONIC
