Re: Change of Identification Authorization, TFB-BLECA:

Dear FCC:

This letter grants authorization for representatives of DeFelsko Corporation to apply to the FCC for a change in identification as specified under 47CFR 2.933 of the FCC Rules.

This authorization applies to LS Research, LLC, FCC ID: TFB-BLECA, granted 9/25/2013

All LS Research, LLC systems information deemed confidential during our original submission must remain confidential.

We are aware that DeFelsko Corporation intends to market the above referenced product under their own FCC ID: F9O-BLEATA

The model in this filing is electronically the same as the original model. The original test report data applies to this application as well as the original application.

Sincerely,

A handwritten signature in black ink, appearing to read 'William Steinike', is placed over a stylized graphic of a mountain or signal waveform.
