Confidentiality Request

Microwave Radio Communications Inc. would like to take this opportunity to invoke our right of confidentiality pursuant to CFR 47 Part 2 subpart We feel that R&D efforts afforded the development of the STRATA STAHPU2D have led to unique system design. These design efforts if released would give unfair advantage to our market competition. The exhibit designated as Schematics and BOM (bill of material) Along with photos of the Component and Trace Lay out should remain confidential. Attached below is a list of the part numbers and description of those assemblies applicable to this statement.

For reference, these items are listed below with section and section page number for ease of identification.
